

 ELDORADO ARTS & CRAFTS ASSOCIATION	BOARD MEETING HIGHLIGHTS	June 10, 2026
--	---------------------------------	---------------

Eleven members of the Board were present. The following notes highlight the topics discussed and decisions made during the meeting.

- ❖ The 2nd Quarterly Meeting was held on May 21st from 5:30 – 7:00 PM at the Vista Grande Public Library with eighteen people attending. James Johnson, the Executive Director of Make Santa Fe, presented a lecture titled “To Be Creative is To Create.”
- ❖ It seems that some participants of the Studio Tour are still not receiving emails as they should be. We decided to try a new service by WIX to send group texts to announce that an important email has been sent.
- ❖ HOAMCO, the HOA manager for our community, told us on May 20th that ECIA would not be able to host our Studio Tour Preview Gallery or any of our scheduled meetings or Art Shows between mid-August to December because the facility will be undergoing construction. The Board is currently looking for alternative locations for these events as well as working with the ECIA Board to see if their construction work could be postponed until after the Studio Tour. The EACA Board appreciates your support by writing emails to the ECIA and by speaking at ECIA’s Board meeting on June 16th if we are given the opportunity to do so.
- ❖ Our website continues to be updated with a new featured artist along with postings about current activities such as the upcoming meeting dates and requirements for the participants in the Studio Tour. The Studio Tour Committee Assignments list is now included under the News page.
- ❖ We plan to emphasize our donations to the community with an article in the July issue of Vistas and by having small signs made for the studios that want to display them during the Tour.
- ❖ The next EACA Board Meeting will be held on July 8, 2026 at 10:00 AM. All EACA general members are welcome and encouraged to attend; any comments can be offered before or after the meeting.
